

PURSE-SNATCHERS ARE ACTIVE IN CITY

Hold-up artists took a day off yesterday while purse snatchers became active and by midnight had registered a total of three "jobs," according to reports made to police headquarters. A Mrs. Smith reported the first case of purse snatching at 3:30 o'clock yesterday afternoon. A silk pocketbook containing small change was taken from her while she stood in line at a postoffice window.

Mrs. Gibbs of 318 East Polk street later reported that a man had attempted to take her pocketbook from her. After a slight struggle the man became frightened and ran. Mrs. Shepherd was on North First avenue early last evening when two men approached. One grabbed a pocketbook which she carried and both men ran.

The new fad in the Phoenix crime wave is not proving as profitable to the operators as the gun method. The police were given descriptions of three men operating and their total loot amounted to only \$6.20.

MESA CHALLENGES PHOENIX ALL-STARS

MESA, Jan. 8.—Championship aspirations have once more penetrated into the camp of the Mesa veteran baseballers with the result that Manager Guy B. Rice heading the Mesa town team appeared on the scene Saturday with a challenge to Price's All-Stars of Phoenix. The winning streak of the Phoenix champions, it is thought, can be broken and the members of last year's Mesa town team have formed a nucleus which Rice believes justifies the issuance of the challenge.

Both Dick Lush and Lou Gill, veteran moundmen of Mesa, are here now and both are itching for a chance at the Phoenix All-Stars. Wheeler, star Georgia leech, catcher and played a few games with Mesa the latter part of last season is here to fill the position behind the bat. Butler, Pomeroy, Reynolds, Peterson, Menhennett and others of the old crowd are also on hand and anxious to get back into a uniform and out on the diamond once more.

Rice proposes a game for Sunday, January 10, providing the challenge is accepted and says that if the weather permits the Mesa club will continue actively in baseball from now on until summer.

STEEL MILLS CUT WAGES

[Republican A. P. Leased Wire] SYDNEY, N. S., Jan. 8.—The Dominion Iron and Steel company announced today a 20 per cent wage reduction, affecting about 5,000 employees and effective Jan. 17. Of those workers, approximately 2,100 are temporarily laid off.

Amen Corner Dinner Ridicules New York Multitude Of Probes

NEW YORK, Jan. 8.—New York City's investigations were hurried in song and dialogue heads tonight at the twentieth annual dinner of the Amen Corner corporation.

"The Brethren of the Amen Corner"—politicians and officials, newspaper men, lawyers and citizens—many of whom once gathered "in the corner" in the old Fifth Avenue hotel and

Worried feet cause half the ills and discomforts that harass the men and women of our age.

The Scholl "Foot-Easer"

is a remedy. It is a scientific arch support of cushion that supports the muscles and tendons and gives them strength to carry the weight of the body at the foot arch.

It does away with all nervous and muscular strain and quickly replaces the natural elasticity to the foot and prevents flat-foot with its painful consequences.

Makes walking or standing absolutely comfortable, keeps shoes in shape and gives the traveler a graceful arch.

The Scholl "Foot-Easer" is made of two German Silver Springs, leather covered, and is springy, flexible and self-adjusting to the foot and can be easily slipped into any shoe.

They do not need tacking or pasting but are easily changed from one pair to another.

If you have any foot trouble whatsoever, the Scholl "Foot-Easer" will give you instant relief as well as rest and comfort.

All sizes for men and women, \$2.50 per pair.

We are headquarters for foot comfort and the Scholl "Foot-Easer" is one of the principal means of conveying it to you. Let us prove it.

Termed an "investigation of investigations," the dinner opened with a program, during which the "spirit of the Amen Corner" stalked, declaiming his credo as the "champion of true democracy."

The Message of Mr. Ramboz To All the People of the Salt River Valley

"My message to the people of Maricopa county and of this city is one of good cheer. There is one of the richest and most productive sections of the earth. There is the rare privilege of creating wealth. There is the certainty of a self-sustaining future. There is the opportunity to grow in greatness, in strength, in influence, in prosperity, to a point now undreamed of by the vast majority of the people."

"Stick to your farms, citizens of the Salt River valley. Stand to your guns. Be strong. Be hopeful, be determined—for in the present there is assured safety and success and in the future the realization of all your golden dreams."

The banks of the Salt River valley are indeed thankful to the Los Angeles Clearing House for their generous assistance in providing them with 2 1/2 million dollars with which to take care of the cotton crop.

But above all, they are most grateful to Mr. Ramboz, representing the Clearing House, who has been so helpful in every way and especially with the above inspiring message to the valley.

"THE BANK WHERE YOU FEEL AT HOME"

BLACKFOOT CHIEF SPEAKS HERE NEXT WEDNESDAY NIGHT

The Rev. Red Fox Skutumpah, northern Blackfoot Indian, will lecture Wednesday evening, January 13, at 8 o'clock "On Patriotism and Philosophy of American Indian," at Reorganized Church of Jesus Christ of Latter Day Saints, Tenth and Moreland streets.

Chief Red Fox lectures in the picturesque Blackfoot costume, embellished with many thousand beads, woven in typical designs on skins. He forcibly portrays the life of his people in its different phases.

Rev. Red Fox is at the head of the American Indian Tepee association, of which President-elect and Mrs. Harding are members, as well as many noted men of the country, including governors, senators and congressmen and General Pershing. He is head of Tipi Order of America, an Indian secret fraternal order for the red and white races.

The Literary Digest and other publications have made favorable mention of the work being done by Red Fox for his race.

In 1914 Red Fox rode his pony from Montana to the White House with a petition to the president to grant all American Indians full citizenship, and for "American Indian day" on the

fourth Friday in September of each year. En route, this petition was endorsed officially by 25 governors and hundreds of colleges, churches and patriotic organizations.

July 4, 1917, Fox made an address to 25,000 people in the New York City College stadium in the presence of Secretary of War Baker and other government officials, under the auspices of the mayor's committee of that city.

Red Fox will sing "America" in the Indian tongue.

LETTER COMPLIMENTS REPUBLICAN ON HOME

Here is praise from Sir Hubert, an appreciation by the general manager of the El Paso Times:

The Republican, Phoenix, Arizona. Dear Mr. Stauffer:

This will acknowledge receipt of copy good paper of Dec. 28 in which you printed a comprehensive review of your organization and a description of your wonderful new home. I rejoice with you in the rapid strides and wonderful success of The Republican.

It is an institution of which the state of Arizona may justly be proud and a newspaper that will do credit to any city several times the size of Phoenix.

Extending to you my sincere wishes for continued success, I am, Yours very truly,

E. C. DAVIS, General Manager.

CAPITOL WONDERS WHO WILL OCCUPY BUNGALOW NEXT

Who will occupy the bungalow? What state official will have to be quartered in the most undesirable offices set aside for state officials?

That is one of the most interesting topics discussed at the state house by those who are settled "permanently," or those who think they are.

The building once was occupied by the commission of state institutions and then in part by the legislature. When the arrangements for the legislature were under way the board of directors of state institutions ordered the state land department, which occupied the committee rooms of the house and the house of representatives, to be on its way to the bungalow, where it is now established. The quarters are cold in winter and hot in summer, and complaints of bad air produced by gas stoves and low ceilings are not uncommon by those who are housed in the bungalow.

Rudolph Kuchler, land commissioner, is desirous of getting important papers out of the fire trap and has asked for the quarters now occupied by the attorney general, and the basement under the wing of the recent addition to the state house. In turn, Attorney General Galbraith has requested that he be moved to the office of the state super-

intendent of public instruction, which would force Elsie Toles into the bungalow.

Miss Toles served for two terms as superintendent of schools of Cochise county as the only Republican officeholder in the Democratic county, so she is used to getting the worst of it of defending herself and winning out. It is believed that the gallant men in charge will not force the only woman elected to state office to occupy the poorest available quarters.

SCHOOLS TO DEBATE HERE FEBRUARY 11

The first preliminary debate between the various high schools of the county will be held in Phoenix on Feb. 11 between the Phoenix union high school and to Glendale high school on the subject: "Resolved, that the principle of the closed shop should be adopted by American industries."

The high schools of Gilbert and Chandler will also hold a debate on this date, but it has not been determined which of these schools shall visit the other.

You'll find some interesting reading on page 7.
